

# **Workshop Conclusions and Next Steps**

# What We Accomplished This Week:

- Formed three working groups:

WG 1: Tropical Systems

WG 2: ENSO

WG 3: Mountain Precipitation

# The Working Groups

Each WG made incredible progress towards their ultimate goals

Keep the momentum going even once you return home!

# The Next Steps

- Next Workshop tentatively scheduled for October or November 2016
- Three more workshops pending for 2017
- It's all about the Working Groups; their results and importantly, recommendations
