

Workshop 2

(15-18 November 2016)

Purpose

The purpose of the second workshop is to meet as a group gathering to present results to date and discuss the next steps in continuation of Consortium activities. Specifically, each Working Group will meet to discuss progress and update regional and topical needs, and then present these to the entire group. Initial *MapMaker* updates will be demonstrated, and the participants will be able to try them out under our guidance, and suggest further enhancements. New collaborative possibilities with the US National Center for Atmospheric Research (NCAR) will be discussed. Finally, there will be a group assessment of progress to date, and the next steps to take.
